

ROHIT PRAJAPATI

Software Developer

9621197282 • RP9621197282@GMAIL.com • Noida

Summary

I am a dedicated software developer with a solid foundation in multiple programming languages, focusing on PHP, WordPress, and full stack development. With hands-on experience at leading companies, I excel in creating dynamic websites and innovative software solutions. I am currently pursuing a Master of Computer Applications to enhance my skills further and contribute effectively to future projects.
